Hi Kathy,

Sorry for late sending, I am catching up on my email.

Just in case Enrique or Jared ask you questions.....Below is the response from USFWS, BOR, and NMFS regarding EPA's (Tom Hagler/Karen Schwinn) June 2010 letter expressing concerns with the Purpose and Need statement for the BDCP.

I just learned from CEQ that the response from DOI and NOAA to our BDCP letter was signed last Tuesday. Its attached. Who knows where our copy is.....they added Jared as an addressee along with Alexis and Enrique so maybe its on 18th floor.

Tom - since the draft we reviewed in Sept, they added one helpful sentence " The P&N Statement does not state, and is not intended to imply, that increased quantities of water will be delivered under the BDCP."
